

Multiple Unit Request to Get 'Full Hearing' Before Planners

Admitting it was confused when it voted on the matter, the Torrance City Council at its last meeting sent back to the Planning Commission for a full hearing a request for permission to build multiple residential units along Yukon Ave. and other streets of North Torrance.

The hearing on the request for a change of zone by F. J. Major, 17615 Yukon Ave., will be held on Nov. 24. The hearing will be conducted by the Planning Commission, which will then submit its recommendation to the City Council which in turn will conduct its own hearing before taking action.

The change of zone has been strongly opposed by a number of owners of single-family residences in the vicinity. Affected by the request for a zone change are sections of Yukon Ave. near 174th St., and Ashley and Roslin Aves. near Redondo Beach Blvd.

Councilman Willys G. Blount suggested that the developer attend the hearing and present plans for the development he intends to erect on the property if it is rezoned for R-3. Through a misunderstanding

New Roller Rink Here Plans Grand Opening Saturday

The new Torrance roller skating rink, Tor Roller Drome, will hold its grand opening Saturday night at 7:30 p.m.

The rink, constructed by Sam Levy, prominent merchant and businessman, is located at 1851 Mullin Ave., one block off of Torrance Blvd. and behind the Pacific Electric Depot.

After scouring the state, George Anderson, operator of the roller rink, chose Torrance as the site for the recreation spot. "The rink will fill a great need here," Anderson said, "it will give the youngsters a lot of good clean fun."

"No expense has been spared," Anderson continued, "to make Tor Roller Drome tops in its field. I've purchased the best skates and sound system you can buy. And the floor is a honey." Anderson added, "Composed of hard maple, the skating surface is cushioned on a layer of sand leveled between two thicknesses of sub flooring. Skating professional Frank Brassell has been hired to give lessons at Tor Roller Drome. Class lessons, beginner and intermediate, will get under way almost immediately, Anderson stated.

The new rink is affiliated with the Roller Skating Rink Operators Association of America, which makes it possible for skaters to participate in nationwide competition.

The rink will be open every night except Monday, from 7:30 until 10:30 and a special late session will be held on Saturday and Sunday afternoons from 1:30 to 4:30. On Tuesday and Sunday evenings, special dances will be held for dance skaters.

Communism in Malaya Topic Of Visitor

"Can Communism Win in Malaya?" is the theme for the fifth session of the school of missions held at the First Methodist Church, El Prado and Carson, Sunday evening, Nov. 8, as announced by John L. Taylor, pastor of the church.

The topic will be developed by Miss Adelaide Martin, who recently returned from Malaya, where she has been engaged in missionary work, and who now is living in Montebello.

Miss Martin is a Burmese who was educated in the mission schools in Burma and has a thrilling story to tell of the work in Malaya. She will also exhibit many curios and costumes.

The hour for the session is 7:30 p.m., and will be held in the sanctuary of the church. The public is invited.

Daughter Born to City Street Superintendent

A baby daughter was born Sunday afternoon at 12:08 to Mr. and Mrs. Ralph Perkins, of 1024 Anapola Ave., at San Pedro Community Hospital. Weighing 8 lbs., 2 oz., the girl was named Penny Sue.

Mr. Perkins is street superintendent for Torrance and Mrs. Perkins was formerly employed as clerk and switchboard operator in the City Hall.

Rites Held for Edward Gibbons

Funeral services were held Tuesday for Edward William Gibbons, 68, a resident of Torrance for five months, who died Sunday at Harbor General Hospital.

Services were conducted by the Rev. P. J. McGuinness of Nativity Church and interment followed at All Souls cemetery in Long Beach. A rosary was recited at Stone & Myers Mortuary Monday.

Gibbons came to Torrance recently from Housdale, Penn., and resided at 1822 Madrid Ave. with his wife, Bertha, and daughter, Barbara Ann.

Other survivors include three other daughters, Gloria Allison, of Harbor City, Delores Wagner, of Long Beach, and Lena Konrad, of Long Beach; two sons, Charles, of Harbor City and Ernest, of Pennsylvania; and four grandchildren.
